

Temporary Railing

Create a Scenic Outdoor Experience in Minutes

Superior Aluminum Ready Railing

- **Lightweight** - Made of lightweight aluminum for easy mobility
- **Pre-assembled** – Saves time and energy with railing that is ready to use upon arrival
- **Adaptable** - Available in a multitude of colors, shapes, and designs to help create the perfect atmosphere
- **Dependability** - Durable, high-quality aluminum does not rust or rot, leading to a maintenance-free solution for your temporary railing needs

Best Used For:

- Restaurants
- Outdoor Venues
- Hotels
- Community Events
- Weddings
- Churches
- Funeral Homes
- Anywhere architecturally appealing temporary barriers are desired

*Single Bases available for ends,
Double bases for continuous runs and corners*
